Column Catagories

Genre, DA, TAT

Genre

Listed Genres are what the publication is typically known for.

They will accept content outside the scope of the listed genres, submitted content does not need to match said genres.

DA

Domain Authority (DA) is a search engine ranking score that measures how successful a site is when it comes to search engine results.

A higher number produces better results.

TAT

Turn-Around Time (TAT) is the general lead time that we expect for our listed publications.

In some instances, submitted content may take either a shorter or longer period of time to publish

Column Categories

Sponsored, Indexed, Image, Do Follow

Sponsored

States if a publication is easily identifiable as sponsored content:

- Y = Sponsored, Paid, Advertorial, etc.
- N = Nothing or Contributor Content
- Discrete = Partner Content, Presented By, Written in Partnership with, etc.

Indexed

States whether the article indexes on google search.

This does not apply to Google News.

Image

Lists the specific size requirements that the publication wants /needs.

Do Follow

States if the publications allows do-follow backlinks to be included in article content.

If a publication does not allow do-follow links, they typically still allow backlinks that are no-follow.

We do not guarantee do-follow after the placement of content.
